EMPLOYEE SELF SERVICE LOGIN
Quick access to your personal, pay, tax, and benefits information

Accessing ESS from home or Work
http://cityshare.nycnet/ess or www.nyc.gov/ess

User ID
This is your seven-digit Employee ID number which can be found on your pay stub in the box called Reference #; or go to NYCHA Connect, HR, My Pay (NYCAPS).

First Time Logging in
• Enter your User ID
• Password - Your initial password consists of the last two digits of your social security number, _ (underscore), the first three letters of your birth month (uppercase), your birth day, and your birth year.
• Example - employee with SSN XXX-XX-XX99 and a birthdate of January 01, 1910 would be 99_JAN011910

Return User
• Log in using your ESS User ID and Password.
• Select Sign in

Forgot your User ID and/or Password?
• Click the “Forgot Your Password?” link to reset your password.
• If you continue to have issues, contact NYCAPS Central at employeesupport@dcas.nyc.gov.

HIRES OR REHIRES
Enrollment must be completed within 31 days from the date of hire.

1. Log into ESS (www.nyc.gov/ess. Enter UserID and password.)
2. You should see all the available options. If not, select Employee Self Service located on top to display menu options.
3. Select Health Benefits to view Benefit menu options
4. Select Health Benefits Enrollment to enroll in benefits – the Health Benefits Enrollment Page displays your Event and status.
5. Click Select to initiate your enrollment for the New Hire Enrollment. The event Status will indicate
   a. Open – You have not submitted an election for this event and it is ready for data entry
   b. Pending – You have entered selections where you must submit supporting documentation to Human Resources Employee Benefits
   c. Submitted – Your pending entry has been approved
6. Your Enrollment Summary will indicate No Coverage.
   a. Click Edit to select your new health benefit coverage. A listing of plan options will be displayed specific to your eligibility. Click the scrollbar to view all plan options. Click the plan name link to be directly connected to the plan’s website.
   b. Click the Waive button to decline being enrolled in a health plan.
7. Click the radio button next to the plan name to select your health plan
   a. If you are electing an Employee ONLY coverage, Click Continue and go to Step 8
   b. If you are enrolling a dependent, click the Add/Review Dependents which will display all individuals currently eligible to be your dependents. Refer to the Summary Program Description booklet at www.nyc.gov/hbp for information on who is eligible as a dependent.
   a. Click Add a Dependent in your health plan. Enter your dependent’s personal information. All fields with an Asterisk (*) are required. If enrolling a spouse, for the Marital status date, enter your marriage date.
   b. Upon entering all dependent’s personal information, click Save. A confirmation page will display noting that your new dependent’s personal information has been saved. Your dependent(s) are only stored at this point. You must continue the process to enroll your dependent in your health plan.
   c. Click OK.
   d. The Enrollment Dependent Summary page will display, review your dependent’s personal information. Use the Edit button to edit your dependent’s information.
   e. If enrolling multiple dependents, repeat steps 7.a. to 7.d. for each dependent. Once you have added all dependents Click Enrollment Dependent Summary and select Return to Event Selection to return to the Health Benefits Enrollment Page to enroll your dependents in your health plan.
   f. Scroll to the bottom of the page, Click Enroll box to enroll your dependent and click the Continue button.
8. You can now view a summary of your election. Click the OK button to store your selections.
9. Your health plan coverage will be displayed along with the cost per pay period.
10. Click Submit to process your selection.
11. Carefully read the Employee Certification to understand the terms and conditions of your health coverage; Click Submit to finalize your enrollment election.
12. Your benefit choices have been successfully submitted, Click OK
   NOTE: If enrolling dependent(s), your election will be placed in a Pending Status until supporting documentation is emailed to HRBenefits@nych.gov; and processed by Human Resources Employee Benefits. The documentation must include your name and ID#. If the Benefits Summary does not reflect your new enrollment changes, this means that your changes have not yet been approved.
EXPERIENCE A LIFE EVENT -- Add Newborn Dependent
Enrollment must be completed within 31 days of the date of birth.
If the newborn is older than 31 days, please contact 212-306-8000.

1. Log in to ESS (www.nyc.gov/ess. Enter UserID and password.)
2. You should see all the available options. If not, select Employee Self Service located on top to display menu options.
3. Select Benefits Link
4. Select Life Events
5. Select Add Dependent
6. In the Effective Date of Event field, enter the child’s date of birth
7. For the Qualifying Event Type select birth; Click on the Submit My Event button
8. Review your information carefully and ensure that the Life Event Type and Event / Effective date are accurate.
9. Your event is now ready for data entry. Click on the Go to My Enrollment Event. -- The Health Benefits Enrollment Page displays your Event and status.
10. Click Select to initiate your enrollment for the Event of Family Status Change – The event Status will indicate:
   o Open – You have not submitted an election for this event, and it is ready for data entry
   o Pending – You have entered selections where you must submit supporting documentation to NYCHA Health Benefits
   o Submitted – Your pending entry has been approved
13. Your Enrollment Summary will indicate your current Coverage. Click the Edit button to add the dependent to your health plan.
14. Your current plan will be displayed. If you already have dependents, a listing showing their names, relationship and if currently enrolled will appear. Those covered are indicated by a check mark next to their name.
15. Click the Add/Review Dependents button to add your child in your health plan. If you have questions regarding who is eligible as a dependent, refer to the Summary Program Description. Go to www.nyc.gov/hbp.
16. Click the Add a Dependent link to add your child in your health plan. Enter your dependent’s personal information. All fields with an Asterisk (*) are required.
   Note: If your child’s social security number has not yet been issued, leave blank. However, it must be provided to HR Health Benefits when available.
17. Upon entering all dependent’s personal information, click Save. A confirmation page will be displayed noting that your new dependent’s personal information has been saved successfully. Your dependent(s) are only stored at this point. You must continue the process to enroll your dependent in your health plan.
18. Click OK to continue and review your dependent’s information. The Dependent Personal Information page will display your new dependent’s personal information. Use the Edit button to review and edit your dependent’s information. If enrolling multiple dependents, repeat these steps for each dependent.
19. Once you have added all dependents click the Enrollment Dependent Summary link and select Return to Event Selection link to return to the Health Benefits Enrollment Page to enroll your dependents in your health plan.
20. Click a Check Mark in the Enroll box in order to enroll your dependent and click the continue button.
21. You can now view a summary of your election. Click the OK button to store your selections.
22. Your health plan coverage will be displayed along with the cost per pay period.
23. Click the submit button to process your selection.
24. Carefully read the Employee Certification in order to understand the terms and conditions of your health coverage; Click Submit to finalize your enrollment election.
25. Your benefit choices have now been successfully submitted, Click OK.
26. Your election will be placed in a Pending Status until supporting documentation is emailed to HRBenefits@nycha.nyc.gov; and
processed by Human Resources Employee Benefits. The documentation must include your name and ID.

Note: If the Benefits Summary does not reflect your new enrollment changes, this means that your changes have not yet been approved.
