# It's really possible!

**Chris**  
Florida

Total forgiveness

**\$6,500**

Payments refunded

**\$12,500**

I tried applying for PSLF many times over the years with no success, only frustration. I decided to give it one more attempt with help from Summer, and my remaining \$20,000 was forgiven. Summer walked me through the process and provided wonderfully prompt feedback.

**Nicole**  
Ohio

Total forgiveness

**\$148,967**

The Summer program has changed my life which means my 'CREDIT' score by a whopping 70 points! Five more years of stress have been eliminated with the PSLF waiver! Didn't really see paying \$145K+ off in this lifetime without winning the lottery
